INDEX GUIDE

This index provides a detailed analysis of legislative debates in English or French as spoken by the participants. Translations are not provided in either language.

Entries are cross-referenced and arranged alphabetically into two sections, the Subject Index and the Speaker Index:

Subject Index - The main entry in this section is a subject heading which is followed by a list of members who spoke on the subject and page references. Subject headings that do not require speakers, e.g., Divisions (recorded vote), are followed by subheadings and page numbers only. Typical entries in the Subject Index appear as follows:

Energy policy

Kwinter, 3292-3293

Speaker's rulings/statements

Barrier-free access to chamber, 1442

Speaker Index - The main entry in this section is a member's name and riding followed by a list of topics spoken on by that member and page references. Typical entries in the Speaker Index appear as follows:

Kwinter, M. (LIB, York Centre)

Energy policy, 3292-3293

Open Ontario Plan (economic development), 155

Replica firearms, 5941

French debates are grouped under the heading

French-language debates followed by subheading/s in French.

This index also provides **lists of bills** introduced during this session. Bills are listed alphabetically and numerically with a chronology of their stages of development.

Hansard issues and pages are numbered according to session. A list of issues, dates and page numbers for the Second Session of the 39th Parliament is on page 51.

The **Subject** and **Speaker** sections of the index, as well as the **list of issues, dates and page numbers**, are also available on the Internet at <http://www.ontla.on.ca/>

NOTICE À L'INTENTION DES USAGERS

Cet index est le fruit d'une analyse détaillée des débats en anglais et en français, dans la langue de l'intervention. Les interventions ne sont pas traduites.

Les vedettes sont arrangées avec leurs renvois par ordre alphabétique en deux sections : un index-matières et un index des intervenants.

Index-matières. Dans cette section, la vedette principale est une vedette-matière suivie d'une liste des députés qui sont intervenus sur ce sujet avec les numéros des pages. Les vedettes-matières qui ne nécessitent pas d'intervenants (les votes, par exemple) sont suivies de sous-vedettes avec les numéros des pages. Les vedettes dans l'index-matières se présentent de la façon suivante:

Energy policy

Kwinter, 3292-3293

Speaker's rulings/statements

Barrier-free access to chamber, 1442

Index des intervenants. Dans cette section, la vedette principale est le nom d'un ou d'une député(e) et de sa circonscription, suivi d'une liste des sujets abordés par ce ou cette député(e) avec le numéro des pages. Les vedettes dans cette section se présentent de la façon suivante:

Kwinter, M. (LIB, York Centre)

Energy policy, 3292-3293

Open Ontario Plan (economic development), 155

Replica firearms, 5941

Les interventions en français sont groupées sous la vedette-matière **French-language debates**, suivie de sous-vedettes en français.

Cet index donne également une **liste des projets de loi** présentés pendant la session. Cette liste est présentée par ordre alphabétique et par ordre numérique avec une chronologie des étapes de leur avancement.

Les numéros et les pages du Journal des débats sont numérotés par session. La liste des numéros, des dates et des numéros de page pour la deuxième session de la trente-neuvième législature se trouve page 51.

Sont également disponibles à l'Internet au:

<http://www.ontla.on.ca/>, les sections des **sujets** et des **intervenants** de l'index, de même que **dossiers, dates et numéros de page**.
